

God's riches are here!

Believe it!
God's riches are here!

"I came that they may have life, and have it abundantly."

John 10:10b

In the midst of economic decline and lost jobs;

We lift our voices for the suffering.

In a world where the majority want for a roof and
adequate food;

We lift our voices and call for fair sharing of abundance.

Where partners call for the end of inequity, injustice,
and greed;

We lift our voices in solidarity.

Creation is blessed with the fullness of life;

We believe God's riches are here.

Partners around the world carve out communities of hope.

We will follow their example,

**And use our lives to live out God's promise of abundant
life for all.**

Presbyterian World Service & Development supports partner
organizations around the world who work for basic
education, food security, healthcare, clean water, the end of
HIV and AIDS, gender equality and emergency response.
We invite you to believe God's riches are here!
