

Youth in Mission (YIM),
A ministry of the Presbyterian Church in Canada, which encourages youth and young adults to discover and be a part of their national and international Church.

Gulf Coast, USA 2010

May 21 – 30

Applicants must be at least 18 years old

It has been over four years since communities in Mississippi and Louisiana were devastated by Hurricane Katrina in 2005. Since then, hurricanes have continued to hinder rebuilding plans in the Southern states as well as peoples efforts to rebuild their lives. Volunteers are still needed, particularly those with trade skills. This trip will provide you with the opportunity to use your skills and energy to rebuild homes. You will witness the overwhelming hope that is present in spite of the disaster.

The team will gather in Toronto and then drive down to one of PC(USA)'s volunteer camps. Presbyterian Disaster Assistance will host the group and provide leadership and supplies for the work project.

Deadline for applications is March 15, 2010

Applications are available online. Once we have received your application, you will be contacted by the YIM Co-ordinator to set up a brief interview.

The cost of the trip is \$800. This includes accommodation, food, health insurance and all transportation. Any additional costs incurred for health needs (i.e. shots and vaccinations) are the responsibility of the participant. For great ideas on how you and your congregation can work together to fundraise, email, call or visit the YIM website.
